Appreciations

The CMS Class of 2007 appreciate the work of the departments of ART, MUSIC, and PHYSICAL EDUCATION for the many skillz we’ve acquired in our three years at the middle school. We will carry these new talents with us throughout the years to come!
Mr. Haas

After majoring in English at Kent State University, Mr. Haas knew that he wanted to be a teacher. Ten years ago, he came to the Concord Middle School to teach sixth grade English. Everyone at CMS likes Mr. Haas, and enjoys his company. His wild style reflects his unique personality. When he enters the Peabody building, students and staff alike find it hard not to smile when they see him.

Mr. Haas has four children of his own, two boys and two girls, who love being with him at home. Currently, Mr. Haas teaches DLA, and also has the responsibility of Head Teacher at Peabody. Because of his gentle way with students, kids are always very comfortable coming to talk to him, or just stopping by to say “hello.” For all these reasons, we dedicate this yearbook to him.

Mrs. Aldrich

An outstanding teacher here at CMS, Mrs. Aldrich has worked with the students of Concord for 19 years. Always talked about as one of everyone’s overall favorite teachers, she has taught both FACS and Health. In FACS, she teaches students how to cook, sew, and other very important life skills.

Mrs. Aldrich - students love your class because of the fun activities, and, of course, the food. However, what we really love about your class is that YOU teach it, and make it better. She is a great help during the House Huddles, Student Leadership, and the CMS talent shows. The fact that Mrs. Aldrich teaches FACS at both buildings, allows every student here to take her class.

Thank you so much for teaching here. You’ve helped to make our middle school experience a “faaaaaabulous” one! It is with great pleasure that we dedicate this yearbook to her.

WARM

We welcome you here to our school.
You have made this school year very cool!

We are glad that you have joined our crew,
And we got to see a lot of you!

You help make this school really rate,
And for that, it's you we think are great!

WELCOMES
Dr. Miller came to Concord thirty-four years ago. She began working as a School Psychologist for K-12 in an isolated building apart from the schools. Seven years ago, the town decided to bring her to Peabody and Sanborn. She has made many friends over the years, and will be sad to leave. After this year, she will continue as the President of the Massachusetts School Psychologist Association. She'll be sure to stay busy, but she doesn't want to make too many plans. Dr. Miller's hard work and devotion has made a significant difference to the Concord schools, and she will be greatly missed.

Mrs. Rosenblum has been a special education teacher at the Peabody building of the Concord Middle School for ten years. During her tenure, she has made a very important difference in the lives of many students. She works hard to help her students experience success and is their best advocate. Mrs. Rosenblum is one of the most organized people around, and keeps track of all sorts of details. She is kind, thoughtful, has a good sense of humor, and possesses a very creative and artistic flair which shows up in almost everything she does. Mrs. Rosenblum is a true professional who will be sorely missed by middle school staff and students.

Mrs. Clutter has been a Librarian at CMS for twenty-one years. Her favorite subject in school was always English, and she majored in English and Literature in college. Above everything else, she will miss the students at CMS. Mrs. Clutter always enjoyed chaperoning the Washington trip, and loves to sit down to read a good mystery book. She has 3 sons out of college, and 2 grandchildren who she loves spending time with. Middle school students are her favorite age group to teach. Who can forget the bookmarks and prizes during National Book Week, lessons on research, or interesting book talks? What will we do without you, Mrs. Clutter? We'll miss you!

Yearbook Committee

This year, we went right to the wire to finish the yearbook. I'm sure you'll find many hours of enjoyment with it. Thanks to the members of the yearbook committee for their days of fun and hard work. Special thanks to Katie Jessee for her photography, and Grace Nix for her endless help with Photoshop problems. Juliana Granato and Margaret Waterman were always there to help as this year's Editors. Once again, the Editors designed both the front and back covers. Here's to the CMS Class of 2007!!!
