Warm Welcomes

It's been a great year with you, in your CMS debut. We hope that you will continue to teach us things that are new.

Fond Farewells

This year, we are sad to say goodbye to a very important member of the CMS community. Ms. Stevens, grew up in Lexington, MA and currently resides in Acton, MA. She has been part of the CMS community for 16 years. She has mostly worked at Peabody, except for one year where she tutored at Sanborn. In her free time, Ms. Stevens enjoys reading, knitting, and walking on the beach. She graduated from the University of Wisconsin and Boston University, and then went on to teach in Quincy, MA, Salt Lake City, UT, and Acton-Boxborough High School. Ms. Stevens, we are sorry to see you go, and will miss your patience, organizational skills, and most of all, your sense of humor.

Another member of the Special Education department will happily retire at the end of this school year. Ms. Kinniburgh's hometown is Swampscott, MA, but currently lives in Littleton, MA. Before joining the CMS community, Ms. Kinniburgh worked in private schools in the Boston area, one year in Connecticut, and several years with the C.A.S.E Collaborative. She has worked at Peabody for 4 years, as well as Sanborn for 12. Ms. Kinniburgh has two sons and has been with her partner, Bruce, for 11 years. Recently, she visited Kenya on a safari and observed a wide variety of impressive animals. During her time away from CMS, she likes to garden, hike, and cross-country ski. Ms. Kinniburgh, CMS was lucky to have had you on our staff, and we will miss your patience and optimism.
Eighth Graders
The Yearbook Committee was responsible for thirty pages of writing and pictures. These devoted individuals worked hard every meeting to produce this magnificent book. Special Thanks: Photographers Rachael, Sara, Liz, Alyssa, Aliya, and Willa. Extra Special Thanks: Anna Shulman and Ella Leininger, our editors. The two of them worked incredibly well with our staff, and took the lead in the creation of this book. Special Kudos: Mingxi Wu for our SPECTACULAR front cover, and Adam Rainis for his MVP effort on multiple pages in the book. My twenty third year was fun from beginning to end. Happy Reading!!

BAD PUNS

I stayed up all night to see where the sun went. Then it dawned on me.

I did a theatrical performance about puns. It was a play on words.

I tried to catch some fog, but I mist.

Haunted French pancakes give me the crepes.

What's the definition of a will? (Come on, it's a dead giveaway!)

Venison for dinner again? Oh deer!

When a clock is hungry it goes back four seconds.

Without geometry, life is pointless.

I got a job at a bakery because I kneaded dough.

Did you hear about the cross-eyed teacher who lost her job because she couldn't control her pupils?

PICK UP LINES

If beauty were a time, you'd be eternity.
Someone should call the police because you just stole my heart!
Do you have a map? I'm getting lost in your eyes!
I thought happiness started with H. Why does mine start with U?
If I were a superhero, I'd be your man.
You shouldn't were makeup! It's messing with perfection!
You're so beautiful that you made me forget my pickup line.
Excuse me, I think you have something in your eye. Oh wait, it's just a sparkle.

Hey... Didn't I see your name in the dictionary under "Shazaam"?
Are you the square root of negative one? 'Cause you can't be real!
If kisses were snowflakes, I'd send you a blizzard.
You're like a dictionary ... you add meaning to my life.
Hi, I'm Mr. Right. Someone said you were looking for me.
You are so sweet you are giving me a toothache.
You must be Jamaican, because Jamaican me crazy!

Are you an alien? Because you just abducted my heart.
Which one of the Spice girls are you?
I was so enchanted by your beauty that I ran into the wall over there. So I am going to need your name and number for insurance purposes.

Remember me? Oh, that's right, I've met you only in my dreams.

Whether it's a simple smile or a bellowing hello, Mr. Bozak is always there to cheer up the students and staff at Peabody. He has dedicated twenty-nine years of his life to maintaining several of the buildings in the Concord Public School System. Before coming to CMS, he worked at Hanscom Field as a member of the Crash, Fire, Rescue Department, responding to aircraft emergencies. Mr. Bozak likes spending his free time away from CMS at his summer home on Moody Beach in Wells, Maine. There, he enjoys walking on the beach, riding his bike, and socializing with friends. He has two brothers and currently lives in his hometown of Waltham, MA. One of Mr. Bozak's best qualities is the fact that he likes to treat everybody the way he wants to be treated, with respect. For these reasons, Mr. Bozak deserves one of our CMS dedications.

Libraries are full of knowledge and information, but they are also full of fantastic stories. The same is true with Ms. Gioia, one of our wonderful librarians who has worked as a CMS staff member for 27 years. She was raised on a farm in Stow with her brother and sister, and then later in Sudbury. After high school, she went to George Washington University in Washington D.C. Ms. Gioia used to work as an art director and a graphic designer before coming to CMS. Her two boys both went to CMS and CCHS. Ms. Gioia worked at the Peabody library for 19 years, but has now worked at the Sanborn library for 8 years. She enjoys hiking, snow-shoeing (she has travelled the Trans-Siberian Railway), reading, cooking and archaeology in her free time. You may think the books are the only great stories in the library, but Ms. Gioia is definitely another one.
