Appreciations

The students of the Concord Middle School would like to sincerely thank the Foreign Language teachers for their diligence in helping us to speak French, Spanish, and Chinese. They have taught us an invaluable skill that will surely help us throughout our years. THANKS!!
Ms. Cyr

Whenever Ms. Cyr walks down the hall, she is surrounded by a group of kids begging to talk to her. This is due to the fact that she is friendly, thoughtful, and a good listener. Whether they really have a problem, or just feel like chatting, Sanborn students head to the Guidance office. Not only does Ms. Cyr work all day with students, she also helps out with after-school sports. She coaches Girls Soccer and Softball, and organizes Boys Intramural Basketball. During the Winter months, she is the Basketball game Supervisor. After a busy day of counseling and coaching, Ms. Cyr starts the long drive home. For fourteen years, she has been driving to CMS from Manchester, NH. A friend, a mentor, and a coach, Ms. Cyr is loved by students and staff alike. For all these reasons, she definitely deserves this yearbook dedication.

Mrs. Moss

There are some people that you remember for the rest of your life. People that impacted the way you live. People that were always kind and forgiving. Mrs. Moss is one of those people. As the CMS class of 2008 came into the middle school, we were dazed and confused by the transition from elementary school. Those of us who were lucky enough to have Mrs. Moss as a teacher resolved this dilemma quickly. She was always there to help us and answer our questions. This helped us become accustomed to the middle school. On top of that, she has been doing this at CMS for 17 years. To many of us, she became more than a teacher, she became a trusted friend. However, her illustrious career almost didn't happen. Before she began it, she really didn't want to teach. After being a substitute teacher in California, she began to like it. Because of this, we are grateful to the California teachers for being absent. In her words, "It's been one of the best decisions I've ever made." We certainly think so as well! Mrs. Moss hopes that her students remember that she was good and kind, which we definitely do. For this reason, we dedicate this yearbook to her. Thanks Mrs. Moss!

**Best Homework Excuses**

* I tried to divide by zero and my paper burst into flames. *

* I lost it fighting this kid who said you weren’t the best teacher in school. *

* I could only get arbitrarily close to my textbook. I couldn’t actually reach it. *

* My older sister couldn’t find your homework from last year. *

* I have a solar-powered calculator and it was cloudy. *

* I didn’t want to make the other kids look bad. *

* I made a paper airplane out of it, but it got hijacked. *

* My mom took it to have it framed. *

* My agent won’t let me publish my homework until the movie deal is finished. *

* I didn’t do my history homework because I don’t believe in dwelling in the past. *

With plenty of students on our Yearbook Committee, we had a stellar year. Thanks to all of the members for their dedication and enthusiasm. Special thanks to our photographers Sophie Gechijian, Currin Wallis, and Anna Gross. Annie Bannon and Andy Bromberg were extremely diligent as Editors this year, and designed both the front and back covers. I know you'll love the book!!

8th Grade Tribute

And so we talked all month about the rest of our lives
Where we’re gonna be when we turn 25
I keep thinking times will never change
Keep on thinking things will always be the same
But when we leave this year we won’t be coming back
No more hanging out cause we’re on a different track
And if you got something that you need to say
You better say it right now cause you don’t have another day
Cause we’re moving on and we can’t slow down
These memories are playing like a film without sound
And I keep thinking that it’s not goodbye
Keep on thinking it’s a time to fly
And this is how it feels
As we go on, we remember
All the times we had together
And as our lives change, come whatever
We will still be friends forever.
Will we think about tomorrow like we think about now?
Can we survive it out there?
Can we make it somehow?
I guess I thought that this would never end
And suddenly it’s like we are freshmen
Will the past be a shadow that will always stay
Will these memories fade when I leave the 8th Grade
And I keep thinking that it’s not goodbye
Keep on thinking it’s a time to fly,
As we go on, we remember
All the times we had together
And as our lives change, come whatever
We will still be friends forever.
